

The City of Grand Rapids has awarded three bids to vendors for the removal of ash trees on private property. Any property owner interested in having an ash tree removed from their property must contact the vendor directly to make the appropriate scheduling arrangements and review pricing. The City of Grand Rapids shall not supervise, direct or have control of the vendor's means, methods, techniques, sequences, or procedures of tree removal, or the safety precautions for work completed on private property. It is the responsibility of the property owner to make arrangements with the vendor to review final cost of tree removal.
